

PRODUCT OVERVIEW

a. U-MARQ GEM-RX4

Our affordable U-MARQ professional engraving and personalization solution is easy to set up and use. The U-MARQ GEM-RX4 will allow you to engrave on all metals (gold, silver, brass, stainless steel, etc....) even plastic, wood, glass and soap. It has the ability to engrave flat items, inside and outside on rings or bracelets, and 360 degrees around any small cylindrical item.

SST-550

Starting At Only \$6,995

b. U-MARQ GEM-FX4

The U-MARQ GEM-FX4 Engraving Machine, can engrave or cut-out gifts and jewelry items with ease. It eliminates the traditional waiting time for engraving and provides new business opportunities for the retailer to engrave items right in front of the customer. It's large surface area makes this a dream machine for large industrial plates as well. The U-MARQ GEM-FX4 engraving and instant personalization system can produce profits you never had before.

SST-568

Starting At Only \$6,995

c. U-MARQ GEM-VX4

Designed for the countertop or workshop, and for customers with high demands for speed and efficiency, U-MARQ GEM-VX4 computerized engraving machine combined with the mechanical stability, ensures the ease of engraving anything from the finest bracelet to a full size door sign or tankard, as well as glass items and trays. The U-MARQ GEM-VX4 can also be used to cut out names and shapes in gold, silver and copper sheet material. All this on the same system which seconds later can be engraving lettering only a fraction of a millimeter high on delicate jewelry.

SST-595

Starting At Only \$11,995

d. U-MARQ UNIVERSAL 300

The sleek and uncluttered design of the U-MARQ Universal-300 computerized engraving machine combined with the mechanical stability, ensures that engraving on large or small cups, slavers and swords is as simple as a trophy plate. All this on the same system which seconds later can be engraving lettering only a fraction of a millimeter high on delicate jewelry. Linked to your laptop or PC, it is easy to set up and use in any environment, where fast and efficient engraving of single or multiple items is needed.

SST-567

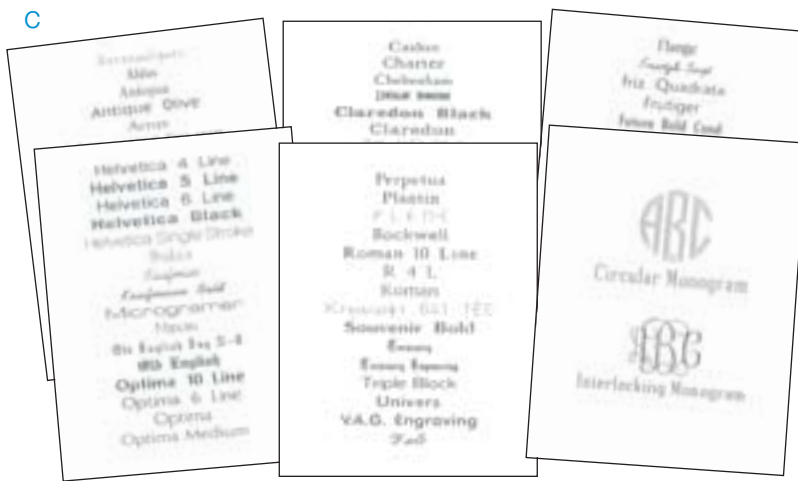

Starting At Only \$16,995

a. PEN TESTER

This is THE lifesaver! Afraid that you are going to mess up your expensive piece of jewelry? This pen tester will allow you to engrave on a piece of tape prior to engraving. It allows you to make changes before you permanently engrave your item. The pen tester is 7" x 11/64".

UNIVERSAL
SST-PEN 1164 \$49.95

b. DIAMOND DRAG 100°

Used for items with a coated finish. Produces a deeper cut. Size 6 1/2" x 11/64".

UNIVERSAL
SST-BD 100 \$89.95

c. DIAMOND DRAG 120°

Our most popular diamond drag graver, a must have! Size 6 1/2" x 11/64".

UNIVERSAL
SST-563 \$89.95

d. DIAMOND DRAG 150°

A flatter drag graver: for material that doesn't require deep engraving. Size 6 1/2" x 11/64".

UNIVERSAL
SST-BD 150 \$89.95

e. PRECIOUS METAL CUTTER

Designed for cutting all precious metals (gold, silver, platinum, etc...) Always use with the U-MARQ Cutting Oil (SST-8020). Size 6 1/2" x 11/64".

UNIVERSAL
SST-592 \$59.95

f. CARBIDE CUTTER

This cutter is used to engrave on plastic, wood, candles or even soap! Size 6 1/2" x 11/64".

UNIVERSAL
SST-591 \$41.99

g. GLASS BURNISHER

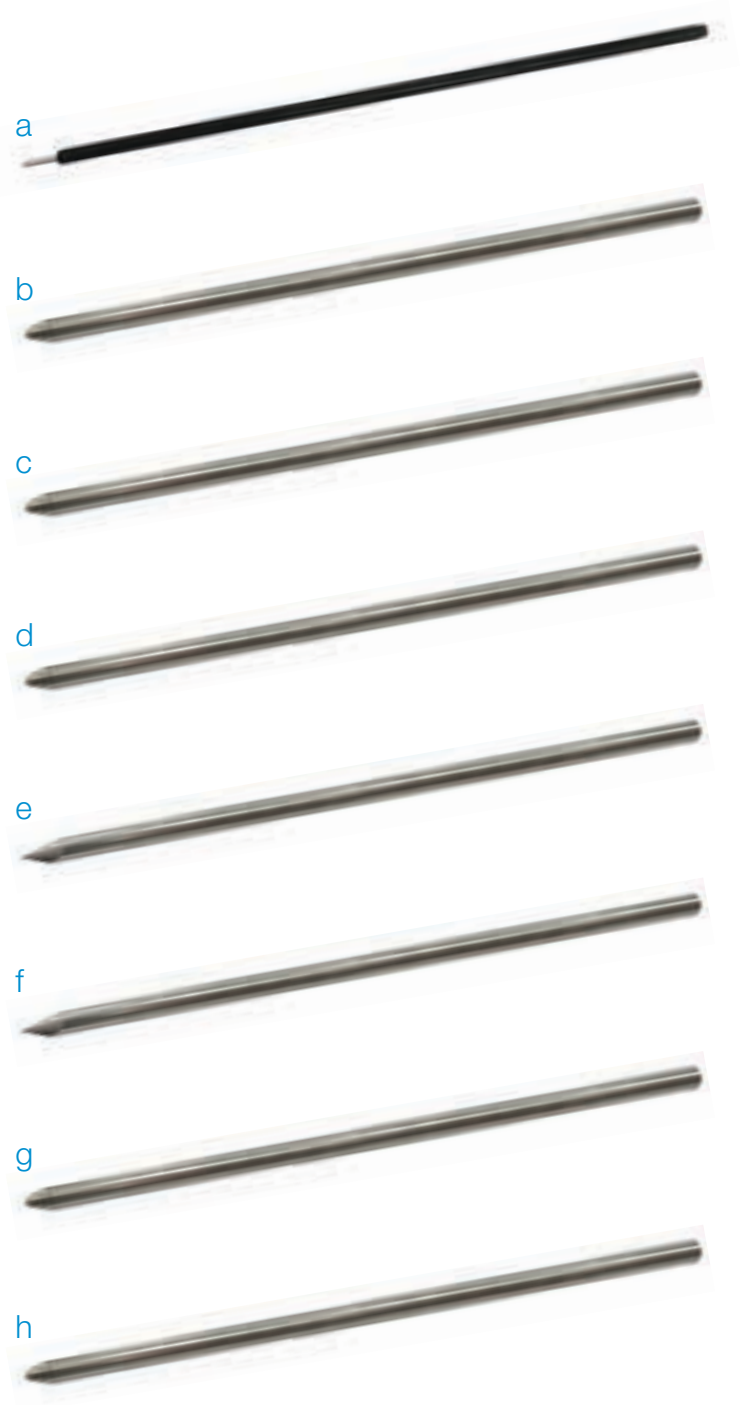

This is the diamond drag burnisher required for engraving on glass. Always use with the U-MARQ Glass Engraving Lubricant (SST-8021). Measures 6 1/2" x 11/64" and 0.005 degrees.

UNIVERSAL
SST-BD BURN 005 \$149.00

h. STONE BURNISHER

This extra duty diamond burnisher is strong enough to engrave some of the hardest stone! Measures 6 1/2" x 11/64" and 0.015 degrees.

UNIVERSAL
SST-BD BURN 015 \$149.00

a. **GLASS ENGRAVING KIT**

This is the perfect kit for engraving glassware. Whether it is glass flutes or crystal vases, this is the kit to make the job easy. The kit includes, two glass burnishers, U-MARQ glass engraving lubricant, and a U-MARQ microfiber polishing cloth!

UNIVERSAL
 SST-8090 \$250.00

b

b. **GLASS BURNISHER**

This is the diamond drag burnisher required for engraving on glass. Always use with the U-MARQ Glass Engraving Lubricant (SST-8021). Measures 6 1/2" x 11/64" and 0.005 degrees.

UNIVERSAL
 SST-BD BURN 005 \$149.00

c

c. **U-MARQ GLASS ENGRAVING LUBRICANT**

Provides protection and lubrication for engraving glass and crystal. 4 fluid ounces.

UNIVERSAL
 SST-8021 \$9.99

d

d. **U-MARQ POLISHING CLOTH**

Soft, lint-free and non-abrasive microfiber cloth. Easily removes shavings and smudges. Measures 10" x 10". Washable.

UNIVERSAL
 SST-215U \$2.89
 \$29.95/dz.

PRECIOUS METAL CUTTING KIT

a. PRECIOUS METAL CUTTING KIT

This is the ideal kit for making precious metal cutouts. The kit includes, 4 precious metal cutters, 2 U-MARQ cutting oils, double sided adhesive (2 sizes), a sacrifice protective sheet, compressed air and a U-MARQ micro-fiber polishing cloth!

UNIVERSAL
SST-8035 \$350.00

b. PRECIOUS METAL CUTTER

A must have for all your precious metal cutting needs! Measures 6 1/2" x 11/64".

UNIVERSAL
SST-548 \$59.95

c. U-MARQ CUTTING OIL

Provides lubricating protection for gold and carbide cutters to ensure a longer life. 4 fluid ounces.

UNIVERSAL
SST-8020 \$7.99

d. COMPRESSOR D AIR - DUST AWAY

To help remove shavings and swarf after engraving. 10 ounces.
